

Safety Data Sheet		Approval:
		Issued on
		11 Oct 23'
(1) Product and Company Identification		
Product Name	Air Freshener (K-26 PRETTY AIR VENT)	
Manufacturer		
(2) Composition		
<u>Component</u>	<u>CAS No.</u>	<u>Weight Percent Range</u>
Fragrance	Compound	50~75%
MMB	56539-66-3	25~50%
BHT	128-37-0	<0.3%
(3) Hazard Identification		
Principal hazards	Harmless to Human under ordinary use	
Specific risks	None	
Labeling	None	
(4) First Aid Measurement		
Inhalation	Not relevant	
Ingestion	seek medical advise immediately show the product or the packaging.	
Skin contact	wash immediately with warm water.	
Eye contact	wash immediately with warm water.	
(5) Fire Fighting Method		
Use extinguishers		
(6) Accidental Release Measures		
Individual Precautions	: No special protection required.	
Environmental protection	: Abandone after use.	
Cleaning method	: No special way.	

(7) Handling and Storage	
Handling precautions	No special demands
Storage precaution/conditions	Keep products under 30 degree C preferable
(8) Exposure controls and personal protection	
Arrangement of the workplace	No special demands
Personal protection	No special demands
(9) Physical and Chemical Properties	
Appearance	Liquid
Color	Based on the color of Fragrance
Odor	Good Fragrance
Solubility	Complete
Density	0.915-0.950(at 20°C)
PH value	not measurable
(10) Stability and Reactivity	
Stability	Stable
Hazardous reaction	Non
(11) Toxicological Information	
Acute toxicity	Basically all ingredients are safe
Skin irritation	Not irritating
Inhalation	Not known under normal use
Eye contact	Not known under normal use
Ingestion	Not known under normal use
(12) Biodegradability	
	Recyclable, but not Biodegradable
(13) Disposal Considerations	
Product	Recyclable
Packing	Empty packing can be re-cycled
(14) Transportation	
	no particular regulation
(15) Regulatory Information	
Labeling	No dangerous labeling required
(16) Other Information	
PRETTY AIR VENT is an air freshener for Car use
